Space Assignments

- Not-for-Profit booths are limited and are assigned at the discretion of the site committee.
- Booths are located on Main Street by the curbs between the Canal Bridge and the Rail Road bridge. All spaces are 10'X10', and exhibitors and their belongings must stay within these boundaries. Expect primarily blocks of 2 booths for most vendors with a space between blocks.
- Exhibitors must display their BAF Booth Plates at the front of their booths at all times during the Festival hours.
- Booth locations are assigned at the discretion of the Festival Committee. The Festival Committee considers several factors: past year location, ADA, vendor category, and of course special requests, although no guarantees can be made.
- Booth numbers and locations will be emailed or mailed soon after applications are received, but no later than June 10. Vendors who wish to be relocated need to email or call us before June 20. **No location changes will be considered after June 20. No changes will be made at the festival.**

Set Up/Tear Down Times

- **Set up** Fri. August 10, 7-9PM (south of Erie Street only) and Sat. August 11, 6 – 9AM (all locations); **teardown** Sun. Aug. 12 **between 5 - 6:30PM.**
- Vendors will receive all necessary information, except for their Booth Plates, via mail or email prior to the festival. Set-up staff will be available to assist vendors to find their spots, and distribute booth plates.

Vendor Parking:

- Parking spaces exist on most cross streets (one side only) and in larger parking lots. Parking passes will be sent with vendor packets.
- Overnight parking (no services) will be permitted only in the lot behind the Sweden Town Hall on State Street.

Other Information

- Electricity is limited, however if absolutely needed note requirements on application. A \$35 fee will apply and application must be received early to allow for proper location. Generators are not permitted.
- Participant is responsible for supplying tent, tables, etc. There will be festival helpers to aid with some unloading, etc. and booth sitters during festival hours. Tents must be weighted down, not staked, because of the pavement surface. Tents with sides provide protection and are recommended in case of inclement weather.
- Remove all trash daily. Receptacles will be located throughout the festival site. If assistance is needed contact the Hospitality Tent or someone in a green staff T-shirt.
- There are no provisions for one day vending and vendors are expected to stay for entire show. Those who leave early and without discussion with festival chair will not be invited back.
- Vendors who withdraw from the festival before May 31 will receive a refund equal to their full registration fee less a \$25 non-refundable application fee. Those who withdraw during June will receive 50% of their full registration fee less the \$25. There will be no refunds after June 30.

Security

- Brockport Police Department is responsible for all security.
